

# YOUTH IN ACTION

June, 2024

Hi Everyone,

We hope that everything is shaping up for a great summer. Now that school is out our youth have a little more time on their hands. An activity or two will go a long way in keeping them busy. Keeping our activities well balanced can be tricky. I like sports and gravitate to those kinds of activities and so rely on Carol to keep us balanced. The following is extracted from the YIA guidelines and outlines the main core areas of the program.

- **Social:** Service Projects and Youth Activities
- **Physical:** Health, Athletics, Nutrition
- **Mental:** Music and the Arts (CRC classes), Education (school relations), and Leadership/Committee opportunities
- **Character:** Self-reliance and development of moral character
- **Leadership:** The 7 Habits of Highly Effective Teens by Sean Covey, the son of Steven R. Covey

We continue to see various groups have activities and would like to share them with you.

## SLC, Northwest, Paddleboarding

Salt Lake City Northwest will be joining Chill for their annual Stand Up Paddleboarding. This activity is held in Park City at the Deer Valley Resort. SLC, Park City SUP will provide all the gear including PFD's and instruction and we will be paddling on their private pond.

The group meets for 3 consecutive Wednesdays through June. This is a massive opportunity for those youth who otherwise would not have the chance.

This is the third year that YIA have been invited to attend.

## SLC, Westside, 'Best of Both Worlds'

Salt Lake City Westside are continuing their run of activities. On June 13<sup>th</sup> they have planned a movie night along with the All American favorites hotdogs and popcorn. Please send us some photos!

They will be showing the great local rugby movie 'Forever Strong'.

## Chill Spring Skateboarding

Youth from both Salt Lake City Northwest and Granger Northeast participated in the Chill Spring Skate in West Valley City. They toughed it through some colder days, but ultimately had a great and memorable time.

All the Best, Steve & Carol Osborne
