Hygiene Kits for Unsheltered

MHT Missionaries, watch for emails with details on how you can participate.

Tutoring at SLC schools

Liberty Elementary School is requesting volunteer tutors on Tuesdays and Thursdays, 3:15-4:30pm.

Contact Prices for more information. Gary 801-455-4944, Julie 801-404-4916

EASTER PARTY AT CRC

Watch for details about our annual Easter Egg Hunt at the CRC. We're always grateful for volunteers to fill the thousands of eggs in advance. Helping to hide the eggs and provide supervision, etc. at the party will also be needed. **APRIL 4TH!**

Getting together...

In the past we have scheduled devotionals quarterly for our missionaries. Our plan this year is to have bi-monthly potluck dinners with a casual atmosphere. We have postponed the one scheduled for March, due to the conference we had recently. Our next potluck dinner will be Monday, April 27th at the CRC.

Watch your email for a link to the devotional planned for Senior Service Missionaries. The link will continue to work for two weeks after the presentation.

Submit projects for review... Looking ahead

April 18th, May 16th, June 20th

My Hometown SLC Central Missionaries ...

It's not too early to submit projects for approval. Our official Days of Service will begin in April. We need your help identifying projects in advance so we can evaluate and prepare. Keep in mind projects will be selected on NEEDS. Homeowners physical and financial abilities will be considered. Family members are encouraged to participate. Also include neighbors when possible. Use your neighborhood representatives to include ALL homeowners in your assigned area, regardless of religious affiliation. Don't make promises until projects have been evaluated and approved. Look for ways we can assist renters that doesn't involve improving the property they are renting. We can provide assistance without assuming their landlords responsibilities of property maintenance.

February 28th we attended a Conference for the three SLC My Hometown groups. The speakers were informative and inspirational. We were entertained by choir members from the Salt Lake Christian Church. We enjoyed the pre-meeting breakfast that had great selections!

Thankful Thursdays

The beautiful weather we've experienced during this dry winter gave some of our missionaries an opportunity to begin early with neighborhood services.

Our wall representing the faithful churches in our area is underway. Watch for it's completion.

We continue to show appreciation for some of our local teachers.

They are shaping our future.
